Flooring and sitting

Yoga mats

8000 0001

Sports Mats from Durable, Wear-Resistant EVA Material – 1850×550×3 mm
Made from an eco-friendly material that absorbs impact and cushions your movements. Ideal for yoga, pilates, and aerobics.
The mat offers high comfort and safety. Its rubberized surface doesn't slip, stretch, or slide on the floor. Even intense exercises and stretches can be performed confidently and effectively.
The mat is double-sided, with anti-slip texture embossed on both sides (colors on request)

Tatami puzzle mats

4404XXXX

Tatami – eco-friendly flooring for gyms and rings.
Double-sided, dual-color mat, made of EVA foam polymer.

Textured surface enhances grip for athletes' feet.
New Anti-Slide embossing further improves traction and prevents slipping.

Material: Dual-layer EVA (ethylene-vinyl acetate)
Color: Blue/Red
Size: 100 x 100 cm
Thickness: 40 mm (Optional: 20/ 26/ or 30 mm)
Density: 100 kg/m³
Hardness: 30 Shore A
Weight: 4.1 kg

Flooring insulation

EVA insulations sheets
offer an excellent sound, moisture, shock, and thermal insulation. With a 26 dB noise reduction index, it dampens footsteps and absorbs impact. Its dense, waterproof structure eliminates the need for vapor barriers. Ideal for both floors and walls.
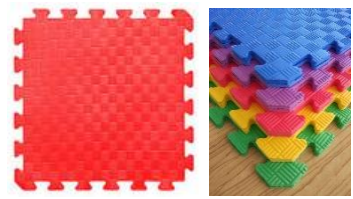

ON REQUEST

Tourist seat pads

808000XX

Universal Seat Pad – a must-have for hiking, picnics, hunting, or fishing. Made of eco-friendly EVA, it offers excellent insulation and cushioning, protecting you from cold and moisture. Lightweight, waterproof, durable, and easy to carry or attach to a belt – ideal for any outdoor activity.

Customized door mats

5500XXXX

EVA Doormats
Trap dirt, dust, and moisture with honeycomb design. Made from eco-friendly, odorless EVA — safe for kids and pets.
Benefits:
Durable: Keeps shape after bending.
Weatherproof: Resists water, temperature shifts, and wear.
Absorbent: Holds up to 1.5L of moisture.
Easy Care: Shake, rinse, or wipe.
Custom Colors & Sizes.
Long-Lasting: Tear- and chemical-resistant.

Deck covering

Decking Sheets
Two-layer 1200×2100×6 mm EVA sheets with suede-textured surface. Ideal for boats, kayaks, jet skis, SUPs and even wet floors.
Customizable: Choose density, hardness, thickness, and color
Cutter/engraver-friendly: Add logos and patterns
Soft, waterproof, UV & oil resistant
Excellent grip (wet/dry), shock absorption, and noise insulation
Easy to clean, no drilling needed for install
Safe, odor-free, teak-like finish for a premium marine look

Playground puzzle mats

2525XXXX

Soft Puzzle Mat 50×50×1 cm – eco-friendly flooring for gyms and kids' training areas. Textured surface ensures grip, while interlocking "dovetail" edges allow easy assembly of any size or shape without gaps. Available in multiple colors.

Cat litter mats

9521XXXX

Car litter mat
Your pet's paws will always stay clean. Litter, sand, and liquids are trapped inside the mat thanks to its hole-patterned, dual-layer design. Debris can then be easily emptied from the pocket. The mat is easy to clean, non-slip, and offers good thermal insulation.
