We never stop improving

TAILOR MADE & SMALL SERIES FURNITURE

Through our Furniture division, we specialize in delivering custom-made and small-series solutions designed for the most discerning clients.

Production takes place in a factory established in 1998, in the dynamic city of Timișoara, Romania—an operation dedicated to creating premium bathroom furniture that merges contemporary design with exceptional craftsmanship.

Our mission is to enhance everyday living by offering innovative, modern and elegant solutions, tailored to diverse customer needs, with a constant commitment to improvement and surpassing expectations.
